1984- A year whose coming the world has dreaded.

George Orwell's vision of a world of chaos, of political and social repression, mass depersonalization, doublethink, a world of constant war and nuclear annihilation, has forced us to welcome the year with morbid anticipation.

While Orwell's prediction of life in 1984 may sometimes seem *reality* ***with the threat of nuclear holocaust, world hunger, mass computerization, and political upheaval, we, the St. Francis Prep Class of 1984, believe in the existence of a world different from Orwell's. We believe the world can be as tranquil as it appears floating in the darkness of space. We see hope, not in the future, but now in 1984: in the ideals of the Olympic games, in the talks for nuclear disarmament, in the striving for world peace- the will of humanity to progress and survive.***

And we are the hope.

TO AN ATHLETE DYING YOUNG

The time you won your town the race
We chaired you through the marketplace;
Man and boy stood cheering by,
And home we brought you shoulder-high.

Today, the road all runners come,
Shoulder-high we bring you home,
And set you at your threshold down,
Townsman of a stiller town.

Smart lad, to slip betimes away
From fields where glory does not stay,
And early though the laurel grows
It withers quicker than the rose.

Eyes the shady night has shut
Cannot see the record cut,
And silence sounds no worse than cheers
After earth has stopped the ears.

Now you will not swell the rout
Of lads that wore their honors out,
Runners whom renown outran
And the name died before the man.

So set, before its echoes fade,
The fleet foot on the sill of shade,
And hold to the low lintel up
The still-defended challenge cup.

And round that early-laureled head
Will flock to gaze the strengthless dead,
And find unwithered on its curls
The garland briefer than a girl's.

About sixty library aides signed up in September and have been of great assistance in the library. They help by shelving books, working at the main desk and answering the questions of other students. The more experienced library aides train the newer members in their assigned tasks. Very often, these boys and girls check the card catalog for books that are being ordered so that orders are not duplicated. The trivia that is posted each day in the library is the artistic work of the aides. Some assisted at open house and on "club day" for the freshman students.

For the first time, any senior, regardless of age, was eligible to become a special minister of Eucharist. After going through interviews, attendance at workshops in school, a diocesan workshop, and an afternoon of Prayer, 24 seniors were installed at the Thanksgiving Liturgy. Several of these students also plan to be installed in their parishes.

Some of these students have also been involved in helping at soup kitchens for the poor in Brooklyn, N.Y. City, and Hempstead.

Students take turns planning biweekly prayer services for the Eucharistic Ministers to encourage and support them in what they do.

LITURGY COMMITTEE

The Liturgy Committee draws its members from the sophomore, junior and senior years of the Prep. The members plan the large school liturgies for the Feast of St. Francis, Thanksgiving Day, Christmas, Ash Wednesday and Holy Week. They used large student-made banners and movie shorts to highlight the theme of the various liturgies.

CHRISTIAN AWAKENING

This year marks the 20th anniversary of the English speaking Cursillo in the Brooklyn Diocese. It therefore becomes the inception of the Christian Awakening program sponsored by St. Pauls Center.

During this year the CA launched a project to let more people know about the Christian Awakening. Along with moderators Mr. Crivelli and Ms. Doherty the students organized an afternoon to inform people about the CA and to share with them what the weekend was like.

Evenings of Follow Up were planned with great speakers and various themes: Christmas, Reconciliation, Prayers and Service. To date over 50 People have made the CA. The goal is to make people aware that it is a great experience they should not miss out on.

Bottom Row: Anthony Malfi. **Middle Row:** Mary Massaro, Denise Nagle, Debra McGuire, Anne Collins. **Top Row:** Mr. Crivelli, Barbara Scotto, Kathy Lawe, Debbie O'Hehir, John Snyder, Patti Murphy, Cathy Caimbreillo, Regina Massaro, Maria Tapias, Darien McFadden, Jennifer Westley, Vinny Catalanotto. **Not Present:** Ms. Doherty and numberous others.

JUST CANT TELL YOU!

You often hear this from people coming back from the Christian Awakening. It is not meant to hurt anyone or to seem "snobby" but, trying to explain to someone what happened on their weekend is very hard. Someone making the C.A. learns a lot about God, themselves, relationships and friends.

I made my C.A. December 9-12, 1982 and I can honestly say it was one of the best experiences of my life. There were 50 girls at St. Paul's and by December 10 we were all best friends. I shared a lot about my life with them and by sharing I received and learned so much. We were separated into various groups and stayed with that group at talks and discussions. We were presented talks on specific topics, such as, my favorite "Piety". We would then break off into discussions with our group. These talks are about topics we can easily relate to and talk about with each other. Later we returned to share our thoughts and remarks to other C.A. members.

The talks are not like school work....something you HAVE to let sink into your brain, they are exciting, emotional and fun. All these topics benefitted me.

The atmosphere is extremely comfortable and relaxing. It is like one big family.

Do not get me wrong. A C.A. requires work, meditation, prayer and emotions you thought were not there. To receive such a good experience, you must give also. Your friends may tell you what they got out of the weekend but, everyone is different.

Upper classman are encouraged to attend next year. For further information girls can see Miss. Doherty, boys can see Mr. Crivelli. Special thanks to all those who helped spread the "C.A." spirit around Prep with Posters, meetings and word of mouth. De Colores!

ing audiences since it was formed. The Band Performs throughout the year, functioning as both a marching and concert band. For the many Band members, the season begins at the end of August, in the form of band camp, where much time and hard work is devoted to the choreography and practice as the half-time show. As the school year gets under way, the Band goes on to perform in the half-time shows, the Christmas and Spring Concerts, the St. Patricks Day parades, and finishes the year with the commencement exercises in June.

The Band is directed by Mr. Robert Corbino, chairperson of the music department, and Mr. Ferdinand Motley. Our past moderator, Brother David Migliorino, who we all miss terribly, even makes occassional guest appearances! A winning combination of directors and musicians promises to make 1983-84 another great season for the Band.
